THE DELINQUENT
COMIC ART OF
WASCALLY
WEE WILLY
HARROFF

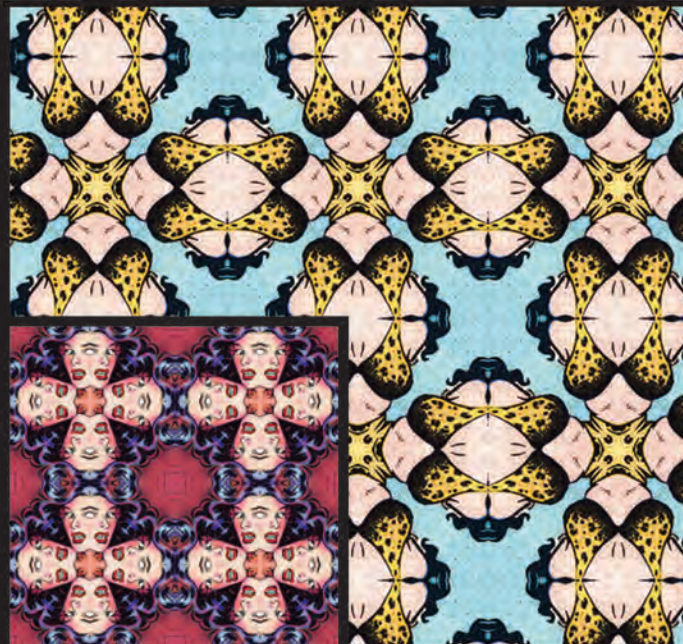

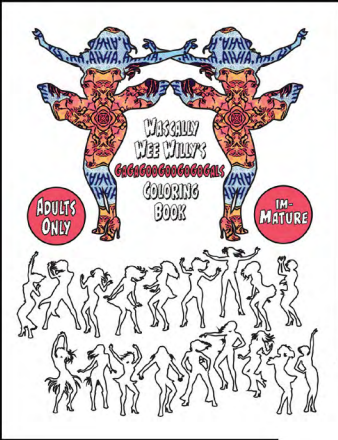

Our Founder

Ignited by the glowing embers of the 1950s comic book bonfires and Senate investigative hearings, Wascally Wee Willy Harroff arrives as the titular hero of the culture wars! His career of combining words and pictures has taken him on adventures around the world, exhibiting in more than 50 countries while teaching manga in Tokyo, illustration at the School of Vision in Salzburg and lecturing on creating comic art internationally. Bolstered by an NEA Fellowship, grants from MAP, Art Matters, the Women's Studio Workshop, the Illinois Arts Council, the Governor's International Exchange, a coveted No-Prize and the very first Marvelmaniac-of-the-Month award, the Wascally One has done his best to pursue Truth, Justice and the American Way.
